

KCBA archives update report

Report of changes to archive since last committee meeting.

In the KCBA people section an article has been added for Len Handley a former secretary who died earlier this year. In addition, an article for Gordon Hammond, a former vice chairman, and his wife Doris should be added in next few days. Also, details for Steve Barnfield should be added to the archive shortly. In addition, updated versions of some of the older articles should be added shortly reflecting some extra details found. There are a few more people where an article is under consideration.

The trophy winners section has all 2019 winners added.

In the National Successes section more 2019 performances have been added. Also, some results from years ago for various competitions, e.g. Punchbowl at Spring Foursomes have been added from various sources.

The KCBA history document had had a few more details added for 2019 and will be updated on the website shortly.

In the KCBA officers section two more former vice chairman/ president have been added although there are still some gaps for this post & others.

The Tollemache section has had 2019 qualifying results added.

There are now over fourteen sections in the archive covering many different elements of our history over the last 80 years or so. At present there are no further sections being planned, although it is hoped in the near future some details from old committee minutes might be added.

The number of hits for KCBA archive on the website over the last four months has averaged around 600 per month, which is about 20 per day. This is a slight drop in the numbers from last Summer.
