

Ruffian's Junior SIMS Event - March 25

Ruffian's held its 2nd SIMS event on Sunday March 25, with 25 children from local schools participating in a 16-board Minibrige Junior SIMS Competition. It is encouraging to see an increase in participation (from November) and the club intends to continue to hold regular competitions such as these National Junior SIMS events, going forward. Provisional integrated results place Amelia Mauve and Sofia Soper (of Weald of Kent Grammar School) as the top Ruffian's pairing (with over 60% nationally), Minna Briscoe and Sofia Ballara (of Tonbridge Grammar School) are currently lying 2nd overall and Sophie Hill and Louisa Annadale (also from Weald of Kent Grammar School) third. The top individual, locally, at Sunday's event was Henry Mayne (playing with a teacher). Henry scored a very creditable 64% at the Ruffian's event. On the day Amelia and Sofia received the "highest score" prize and Richard Tatum and Zac Howes received a prize for being the youngest participants (they are both 7 years old). The most represented schools participating were Weald of Kent Grammar School, Weald Community Primary School, St James Primary School and Tonbridge Girls Grammar.

Up-to-date results can be found on the following link: [EBED Junior SIMS - March 25](#) and the table of local results is posted below.

Well done to all who took part and thank you to all the supervisors who assisted on the day.

The next big Junior event will be the Annual Inter-schools Competition at Weald Village, on the 18th of May (see "Junior" tab for more details) followed by the November SIMS and Kent Congress (which will have a Junior / Beginner Section, this year).
