

## **KCBA archives update report**

Report of changes to archive since the June 2021 committee meeting.

In the KCBA people section the article for George Griffiths is now ready to be added to the website and should appear in the next few days. A couple of other articles are being prepared.

Work has continued on documenting committee members from inception with further details now obtained from a newspaper article from 1952 and also minutes between 2005 and 2010. Details from the minutes between 1983 and 2005 are still required. Also, progress has been made of the details of the Chief Tournament Director and Auditor appointments, which should appear on the website in due course.

A list of all recipients of EBU awards has been prepared and hopefully the details can be added to the website in the next few weeks.

Routine updating of recent trophy winners and other competitions (e.g. Pachabo) has taken place, some should appear on website in the near future.
