

KCBA archives update report

Report of changes to archive since last committee meeting.

In the KCBA people section the article for Gordon & Doris Hammond has now been added to the website. In addition, articles for Steve Barnfield, Andrew Larsky & Ted Nesom, who died late last year, have been added to the archive. The article for Andrew Larsky includes many details researched by Simon Westerman of Tyler Hill Bridge Club. Also, some of the older articles have been updated very slightly.

The trophy winners section has all 2020 winners added. The Tollemache & Pachabo sections have been amended to include 2020 details to date.

In the last few months further old Kent newspapers have gone online and they are currently being checked to see if they hold missing results of KCBA cups etc.

The KCBA history document had had a few more details added for 2019 & 2020 and will be updated on the website hopefully after the AGM.

At present there are no further sections of the archive being planned, although it is hoped some details from old committee minutes might be added at some stage.

The number of hits for KCBA archive on the website so far this year has been over 1000 per month, which is over 30 per day. This is an increase in the numbers from a year ago, on average about a 20% increase.
