

County Captain report for December 10th Meeting

Mike Hampton advertised on our KCBA website for teams to compete in an online league (amalgamating some of the Area leagues) Unfortunately there was insufficient demand to justify even setting up one league. However the Home Counties league is re-starting again in January (Kent are the champions)and will be organised by Middlesex on Realbridge. When we have more details we will advertise for interested pairs and Mike Hampton will kindly organise again.

The Tollemache qualifier (county teams of 8) took place on 12th and 13th November. I am pleased to report Kent qualified along with -Middlesex,Warwickshire,Oxfordshire,Cambs & Hunts,Avon,Manchester, Hants IOW.The final takes place on 18th and 19th February in Stratford Upon Avon and will be F2F.

We managed to put out Kent 'A', 'B' and 'C' teams for the Metropolitan Cup (Teams of 8)which took place on Sunday 27th November on Realbridge. I am pleased to report the 'A' and 'C' teams won their divisions. The former by 1VP and the latter on a split-tie! Both teams now qualify for the National Inter-County final which takes place in June 2023 on Realbridge.

Jeremy Willans.
