

## **KCBA archives update report**

Report of changes to archive since the March 2023 committee meeting.

An article for Frank Wright who passed away earlier this year has been added to the KCBA people section this year. There are now over 50 articles in the section.

Details of the winners and runners up of Kent one day green pointed Swiss Teams and Swiss Pairs over the last twenty years or so have now been added to the trophy winners section. In addition, most 2023 winners to date have been added to the website.

Routine updating of various sections such as “National Successes” has continued and the website will be updated in due course,

Typing up the of hand written committee minutes has continued and all minutes up to and including the 1960 AGM are now typed up.

The average number of archive pages on the website accessed each month so far this year is over 500. In March and April there was a large increase in people looking at the KCBA History pages, in total they were accessed over 230 times.
