Entry figures for the semi-finals at the moment are:

Broadstairs 9

Farnborough 10

Maidstone 19

Tunbridge Wells 17

The final week of club heats starts on Sunday. Invitations to qualifiers from that will go out in the following week and a reminder to those who have qualified but not entered a week to 10 days after that.

The timetable has been tight this year because we had to hold the final earlier than we would like because of the venue availability. We should book next year's final now especially as we have more Online One-Day Green-Pointed Events to avoid.
