

## **Concessions for EBU Affiliated Clubs**

For all bookings received from, invoiced to, and paid by, an EBU affiliated club, a 20% discount applies (this discount is funded by the EBU). The discount is only offered to clubs that are paying for their teachers to attend. There is no limit to the number from each club who can attend. All other bookings are at full price. Places are limited.

**Free places for affiliated clubs** - Some clubs affiliated to the EBU may be able to receive a 'free place' on these courses. They should book on the course as per the above instructions, and a club official should email the EBU's Club Liaison Officer - [bev@ebu.co.uk](mailto:bev@ebu.co.uk) - and advise her of the details of the club member who is attending the course, and confirm that the club has approved their attendance on its behalf. Applications for a free place should only be made if it will be used in the spirit for which it is intended – to help a member provide lessons to bring new players in to the club as part of a club-wide effort to grow the membership and help the club thrive. Upon the member's completion of the course, the cost will be refunded to the club via its EBU account. Each club may only apply for one free place every two years, and if receiving a free place (unless in exceptional circumstances) it must remain affiliated for the following two years.
