

JOAN BUTTS BRIDGE

Train your brain - play this game!

YOU'RE INVITED... **to a Bridge Workshop with Joan Butts** **at Kiama Bridge Club on** **Saturday 13 February 2016**

9.30 – 11.30:

Opening Leads against No Trump and Suit Contracts

Having a good carding system is essential for improving your defence. It starts with the very first card you play...the opening lead. There are "default" or standard leads that are recommended, and it's best to use these so that both defenders can better understand each other's hands. Consider first which suit to lead, and second, decide which card of that suit to lead.

This workshop will examine both standard leads, and the times to deviate from these.

This is multi level material suitable for all improving players.

Cost: \$15 per head (for visitors, coming for the Professional Development Day on Sunday 14, and who wish to stay for the afternoon duplicate, a special price of \$5 to play is offered).

Bookings: Ann Blue **0413731146** annblue50@hotmail.com
