

## Wilde Cup – Non Expert Teams of Four

**Brief History:** In 1979 it was proposed to the League that they should run a Team of Four competition limited to the team players master point total being less than 20 green points. After consultation the League representatives recommended this be a one session event at the end of the League season. And it was agreed that this be organised for the 1979-80 season by the Tournament Committee and named the “Club Teams of Four” event.

**Beryl Wilde** the wife of **Jim (N S) Wilde**, who was the current County Club chairman, offered to purchase a suitable Trophy for this event.

**Due to a fall-off in the number of entries it has recently been revised to be played for by any team of players from the lower Divisions of the League.**
