1. Presentation/approval of Accounts

Loss overall last year due to dealing machine and Christmas party.

Hall costs have increased from £54 - £67, we need 5.5 tables to cover the cost so table money may need to increase later if numbers decrease.

Annual Subscription to remain at £10. Only large item of expenditure this year would be the dealing machine at £4000. Thanks to Andy's efforts, the current one is going at the moment.

We need more players to come forward to enable to have two teams to run. At the moment we have 7 pairs. Please let Malcolm know if you are interested in taking part.
