

Breda Hannon

Breda and I played Bridge every Wednesday night for nearly twenty years. Breda was great company and always ready for a good laugh.

She took her Bridge seriously though and had great success in club competitions over the years. For many years a picture of herself and Arthur winning a trophy at a MRBC Congress had pride of place on the wall of the Bridge Hall. At Breda's request she was presented with the photo when the Club was being renovated.

About ten years ago Breda and Arthur decided to move from off the Malahide Road to Co. Cavan. They continued for some time to travel back to play on Wednesday nights but the journey became too much, however links with our great Club were hard to sever and they maintained their membership for some years thereafter. They continued to play Bridge in their local clubs.

Breda was a most pleasant Bridge partner and friend, always glamorous. She loved fashion and style, but above all she loved her family and was always so proud of them.

Breda died when our Club was in lockdown, her passing was not marked by the usual moment's silence in the clubhouse, we were not afforded the opportunity to swap anecdotes and fond memories. For Breda, and all the other members who have passed away during these past two years, a memorial service will be held when the Club reopens. We will light a candle for each one of them.

We send Arthur and Breda's lovely family our sincere and warmest condolences.

Ena Scott.
