

Josephine Walsh

We first met Josephine in Malahide Lawn Tennis & Croquet Club in the 1970's. Josephine was a very handy tennis player and an excellent club person.

Michael and Josephine joined Malahide Golf Club in the 1980's. Stella and I often played golf with Michael and Josephine.

Bridge started for us in the 1990's, however Josephine had played Bridge in college and was always ahead of the rest of us.

Josephine and Michael played for many years in Malahide Tennis Club "Bridge" Club, in which they were leading lights.

Josephine and Michael were members of Malahide Regional Bridge Club for many years, but latterly seldom appeared, however, on their rare appearances, they usually picked up a prize.

We were really shocked at Josephine's demise and we miss a good friend. May Josephine rest in peace.

Stella & Leslie Geraghty.
