

## **Mai Kennedy**

In April 2020 we lost Mai, after an illness borne with patience and dignity. Mai was a regular Wednesday night member of our Bridge Club. Playing in Malahide Bridge Club, Portmarnock Bridge Club and St. Andrews showed her devotion to the game.

Mai had endless energy and great zest for living. She could turn her hand to anything, from carpentry to art, from gardening to tailoring, to cooking and baking. Art and family portraits were of particular importance and brought great colour to her life and the life of those around her.

After losing her loving husband Dermot, she became active in the Portmarnock Community, fundraising for 750 Club, member of Portmarnock Art Group and member of Circle of Friends. For years she enjoyed foreign holidays organized by Irish Bridge Holidays.

Mai lives on in her five children of whom she spoke so proudly, and her thirteen adored grandchildren who gave her great pleasure and pride in all her years. She will be sadly missed by her immediate family, her extended family, and her large circle of friends and neighbours.

A very strong capable lady who is sorely missed. May she Rest in Peace.

Kathleen Murphy
