

Invitation to run for position on board of directors

The first two years of the club's operations have been busy and very rewarding. The club is now successfully up and running, growing in membership, table counts and, more importantly, a sense of community. While there is still plenty to do, the time required to be a board member has stabilised and should be manageable for anyone interested in contributing to the club in this way.

The board of directors sets policy, manages and oversees the operations of our non-profit club serving over 600 members. The board consists of 7 directors. Directors are elected for a 2-year term. There are 3 director positions up for election in 2018.

We need people who would like to draw on their experience and life skills to continue building a home for friendly, competitive bridge in our community.

What are some of the **key priorities for the upcoming year?**

- building our membership and player base
- strengthening our administrative systems, practices and internal communications
- engaging an expanded network of members to help in the running of the club

How can you contribute? If you have experience or skills in any of the following areas, you should consider volunteering:

- board governance – policy, oversight, accountability in a non-profit context
- strategic/operational planning
- general management (this is a working board)
- marketing / communications / public relations
- business/administrative systems / financial management
- technology / web management
- organizing / networking
- enlisting/coordinating volunteers

Our current 2018 plans are posted on the website, or ask any of our current board members for more information.

Want to place your name on the ballot?

Submit your request to be placed on the ballot by Tuesday, April 17, 2018 to any board member or email the club at mail@mobridge.club.

We will be posting information about each of the candidates in advance of the Annual General Meeting to be held on Tuesday, May 15, 2017. Please prepare a summary of your skills and background and describe what you can contribute to the work of the board of directors.
