

## Chiltern League Spring Cup for Teams of 4

The Spring Cup for teams of four is run as a two-stage tournament. Stage one is organised in small mini-leagues with one or two teams from each mini-league advancing to the knockout stage consisting of two semi-finals and a final.

Matches will be 24 boards.

The expected schedule will be dependent on the total entry. It is likely that teams will play 2 or 3 matches in the preliminary leagues before the semi-finals and final.

Round-robin matches to be played by end of May.

Semi-final and finals to be completed by 13th July

The default methodology is to play matches using BBO but this can be changed to realbridge or face-to-face if both captains agree. There is no charge for playing teams matches on BBO.

Entries to be received by 31st March

Captain	e-mail	Tel. No.	BBO name	EBU number
---------	--------	----------	----------	------------

---

Other team members (list 3 \*) - name EBU number

---

---

---
