

SUMMER SEMINARS

*Suitable for Club players and those
who have completed the SBU course*

Now that summer is here, it's an ideal time to polish up your bidding and play in preparation for the Autumn! So we are delighted to have secured 3 teaching sessions in July and August from the Melville's **Mike Ash**. He will be focussing on some critical areas concerning the 'bidding battleground' in bridge. These seminars are aimed at those who have covered the 3 years of the SBU course, and also established members who would like a refresher.

Details:

- **Tuesday 14th July – 'Compete or Lose (1)'**. How to secure the vital high ground in the competitive auction!
The session is in the **evening**, from 7 to 9pm.
- **Tuesday 21st July – 'Compete or Lose (2)'**. Continuing the theme of week 1.
This second session is also in the **evening**, from 7 to 9pm. (Only attend if you have been to the **first one** as well, if at all possible!)
- **Friday 7th August – 'All about pre-emptive bidding'**. Does what it says on the tin!!
This third session is in the **afternoon**, from 2 to 4pm.

Notes

- Note that the first 2 sessions are in the evening, the third one is in the afternoon. Also we strongly recommend that you sign up for ***both*** of the 'Compete or Lose' sessions, since the second one follows on from the first.
- The sessions are ***limited to 24***, and will be repeated if there is lots of demand
- Each session will cost £5, to be collected on the day
- Please sign up on the club notice-board
- All sessions are held in the club teaching room
