Dear Ms. Nancy Haskell,

Thank you for your great gift of \$615! What a difference you have made to those struggling and reaching out for assistance during these months.

Most certainly, it has been a season to be jolly but also a time for being very busy at CC. Our Christmas and Adopt a Family, Angel, Teen and Senior programs were in full swing for months; food and toy drives were happening almost daily; and the Great Holiday Food Drive was a huge success!

We are very grateful to the entire community for caring wholeheartedly for those in need!

As some background from a recent report: in 2020, we served 29,000 individuals while in 2023 that just ended, we served 103,300. Our Housing Help Program mimics these numbers. This level of growth is unprecedented and the need is staggering.

Again, thank you for being there and for believing and recognizing our work in such and an effective way.

With our very best wishes to you and yours for a Healthy and Happy New Year,

Betty-Lou Souter, OMC, LLD, BAS
