Terrific Tuesday

Tuesday's game remains a stratified open pairs game, with Q & A after the game by some of our best players.

Any player who plays on Monday plays in the next Tuesday game for \$4.

Any student in Bob Hertzog's Tuesday morning class and stays to play in the open game plays for \$4.

Fabulous Friday

(includes Monday limit game)

Based on feedback from the recent survey and input from active limit game participants ...

Beginning Monday May 13, our Monday and Friday limit game will change from 499 limit to **749 limit.**

This gives 60 more players another game to play in.
