## Reading the Opening Lead

*Saturday morning Seminar*

**9<sup>th</sup> July 2016** 10.00 am – 12.30 pm

*Tutor: Rob Dixon*

Have you ever wondered how some defenders seem to know which cards their partner holds or how declarer is able to manoeuvre around the defence? Then you need to learn how to read the opening lead properly! In this session we will look at how to deduce the maximum information from the opening lead, both as a defender and as declarer.

Note: 'Standard Leads' will be covered briefly at the beginning of the seminar but the focus of the seminar is not on which lead one should make, but rather on the information that the lead gives to the other players at the table.

*Suitable for Intermediate+ to Advanced players*
