## The Losing Trick Count

*Saturday morning Seminar*

**19<sup>th</sup> August 2017 10:00am – 12:30pm**

*Tutor: Steven Bliss*

The Losing Trick Count (LTC) is a help in bidding. It allows you to assess how many tricks your partnership might make when you have a good fit in trumps. It enables you to bid good games and slams (suit contracts, not no trumps) with a lower than normal high card point count. This seminar, by Steven Bliss, is aimed at people who know little or nothing about the LTC: it explains how to use it, when to use it and what to watch out for. As usual, there will be practice hands to bid and play.

*Suitable for Intermediate/Intermediate+ players*
