

# Start Young!

---

Bridge benefits arithmetic, logical reasoning, memory, judgement and concentration, so the younger you start the better!

A **new bridge club for juniors** is starting in Summertown Church Hall, on the corner of Banbury and Portland Roads, OX2 7EZ on Sunday afternoons from 21<sup>st</sup> September – 7<sup>th</sup> December, 2.30 – 4.30p.m.

All keen juniors, from nine – eighteen years are welcome, from total beginners to the reasonably experienced; £3.00 per head, including refreshments. Tuition will be given, by DRB checked volunteers, in mini-bridge and bidding.
