

POLICY FOR GUESTS

The OBC welcomes guests to our normal play sessions as per following criteria and conditions:

- **Overseas Oshwals** – will be charged at our current UK members' session levies payable to the Director on arrival. This privilege is accorded to them for only 4 times after which they can become Oshwal Bridge Club (OBC) members or pay non member levies which is double that for members.
- **UK Oshwals** - (but not members of OBC) – will be charged double of the normal members' levies.
- **Member's Guests** – will be charged non-members' levies (which are double of the members' levies).

Members wishing to bring guests must seek permission from any one of the office bearers in advance. If an office bearer is unavailable, then seek permission from any one of the rest of the committee members.

Players need to contact the following to play at each centre:

Play will be permitted subject to availability of space and the player arriving on time.
