A family owned hotel company in Scotland and Yorkshire where our “family of hotels & inns” are recognised for quality delivered through a “Heart & Soul” approach to traditional hospitality.

In addition to our quality and service, Crerar Hotels support the communities in which we operate through our own charitable trust. The Crerar Hotels Trust gifts half of the company profits to causes that are linked closely to the hotels and the communities. It is with this philosophy that our Hotel and Inn teams have the opportunity to engage with and significantly help the surrounding local communities.

You will find a Crerar Hotel in some of the most stunning locations across the UK; Glasgow, Glencoe, Loch Fyne, Oban, Isle of Mull, Pitlochry, Grantown-on-Spey, Ballater in Royal Deeside, Nairn, Strathpeffer nr Inverness, Elgin and Aberdeen in Scotland plus Otley, nr Leeds in Yorkshire.
