It would be nice to see all of the above collect their prizes at our AGM in June.

The cash for the charity is still coming in – the total will be confirmed later. We are pleased that the 235 participants were 39 up on last year.

Our thank you list – Alan Atkinson for preparing all the boards, Colin Juneman for his commentary on the hands, Ken Bawdon for scoring, all heat organisers and Eric Cummings, our website administrator, and First for Bridge for providing the prizes – very many thanks to you all.
