

Bridge in Somerset –An Initiative

OPEN MEETING AT COSSINGTON VILLAGE HALL

On THURSDAY NOVEMBER 16TH from 10 am to 3pm

How can the SCBA best support its clubs?

What makes a successful bridge club?

The Fast Track to Bridge learning programme

We want to make bridge in Somerset twice as good as it is. In order to launch the initiative, I am gathering a number of interested parties to meet for tea and cake and to explore ideas. Below are some of the people who already intend to come and share their wisdom. I would be delighted if at least one representative would come from every bridge club to help us make Somerset an even more important and lively bridge county.

Anybody interested in the future of bridge is welcome to attend.

There will be short presentations from:

Tony Russ (Chairman SCBA) **Bev Purvis** (What makes a successful bridge club)

Ceri Pierce and Ned Paul (Fast Track to Bridge)

Terry Collier (Wind of Change in Bridge) **James Ward** (Club Management)

Val Cornock (First for Bridge) **Frome Bridge Club** (Phoenix from the ashes)

Graham Daniel - Kingston Seymour Bridge Club (Birth of a new club)

Frank Coltman (Tournament Organiser)

In attendance and demonstrating their products will be:

Pianola	Arc Scorer	Dealer 4	Bridgemate
BriAn Bridge	First For Bridge	<u>Bridgetab</u>	

The event will finish with an open forum to discuss issues raised during the day.
