FAO Sheila Coda, Somerset Contract Bridge Association.

Dear Sheila

As Chair of Burnham Area Youth Centre, I am writing to thank you and your associates for this wonderful gift. You probably know, in your association with Jan Bonus, of our policy of constant improvement to this incredible community resource.

This eight hundred pounds will be well spent, helping us fight off the sands of time and ensuring our resources are fit for purpose in a modern environment.

Yours thankfully

Mike Lang (BAY Centre Chair)
