

Stafford Bridge Club

Member of Staffordshire and Shropshire Bridge Association

EXTRAORDINARY GENERAL MEETING (EGM)

Wednesday 28th November 2018, 1.20pm at the Club

The following motion will be proposed and voted on:

This EGM resolves (i) that the current Financial Year will end on December 31st 2018, pending the adoption of a revised Constitution, and (ii) that references to March 31st in the existing Constitution should be amended to read December 31st.

NOTES

1. The purpose of this motion is to change the Club's Financial Year from April-March to January-December. According to our current Constitution, only a General Meeting can authorize this. (The change will not affect the current April-March Membership Year.)
2. A request to hold this EGM has been signed by at least 20 Club members, as required by the Constitution for it to take place.
3. It is anticipated that this motion, of a simply technical kind, will be non-controversial, and that play for the afternoon bridge session will be able to commence promptly at 1.30pm.
