

TOUCHY/FEELY HABITS.

1. DUMMY is not allowed to play, touch, point or hover over cards in the dummy. Keep your hands off the table. Do not play out of turn. Just wait till partner calls a card. It helps if partner says BIG ACE or little eight to distinguish them.
2. Don't TOUCH or fondle the bidding box until ready to make a call. LOOK AT it before you put it down to avoid wrong pulls. If opps call the director,, tell the truth about slip of finger or slip of mind.
3. Do not PULL a card prematurely from your hand as that gives info to everyone at the table. Especially do not PULL OUT a card and put it back and play something else.
4. The moral of the story is DO NOT LET YOUR FINGERS DO THE TALKING!
