

TOUCHING HONORS cont. The current fashion is to LEAD Ace from AK. Therefore, if you lead King and then Ace, the meaning is you have a DOUBLETON! If your partner is paying attention(always good) AND knows this, he should lead it if he gets in so that you can ruff. Plays like this can give you TOPS!

Now if you happen to be Declarer and can win a trick, ALWAYS win with the highest honor you can afford. WHY? The position of the other honors is hidden. So if you have KQ and can win, play the King. Let the opps figure out where the Queen might be. I hope you are printing my tips to share with your partners. See you at the table!
