Events – General Information

Attendance

Players are expected to attend if they enter or they have been informed that they have qualified for an event. If withdrawal is unavoidable, the players concerned must inform a member of the Committee at the earliest opportunity. In the case of last minute withdrawal please call the SCBA Tournament Mobile 07531 804887 so that the start of the event is not delayed. Non-attendance without proper notice is regarded as a serious offence by the Committee and disciplinary action may follow. Players are expected to arrive and check in at the event at least five minutes before the advertised starting time. Failure to do so may result in either a fine of match points, or exclusion from the event.

Permitted systems

The use of systems and conventions up to and including level 4 is permitted in all Surrey events unless otherwise stated.

Results

Full results will be posted on Results web page. Provisional results will also be available at the end of play at week-end events.
