

## SUSSEX COUNTY CONTRACT BRIDGE ASSOCIATION

Minutes of selection committee Thursday 16<sup>th</sup> August 2018

Attended by Chris Jepson (CJ), Martin Pool (MP), Mike Keeping (MK), Roger Poulter (RP) Mick Carrington and Neil Watts

1. Minutes from the previous meeting in July were approved, Martin Pool checked that everyone was happy with the new selection process and he would present it to the Management committee.

2. Selection of the metropolitan cup

CJ had checked with John Hardy that we could enter 6 teams of 8 if we had a good response which we have. The entry fee this year will be £600, last year for 3 teams of 12 was £520.

We had a good response from emailing the clubs but probably need to make it clearer that we require pairs with teams experience to represent the county in this event

The committee looked at all the pairs that had applied and their results paying a lot of attention to the sussex league

The following teams were selected
