Message from the Chairman

Hello everyone,

Firstly, I should like to thank Joy Mayall for all of her tireless work as chairman and for the support she has given me since I received the honour of being appointed in April. For those of you who don't know me, I am a rubber bridge host playing at the Avenue in Hove. I also play a fair bit of duplicate and team bridge.

Secondly, I should like to apologise for the lateness of this Yearbook due to some horrendous production problems.

As you are probably all aware, numbers are in decline at pretty much all the clubs in the county. Whilst I think some people can be encouraged back to play by an increase in the standard of behaviour, I believe the future of Sussex Bridge lies in recruiting more young people to the game. So we will be continuing and hopefully growing, the Bridge in Schools initiative, but I will be looking also to encourage clubs to get more youngsters into lessons feeding into their club sessions. This will have the dual benefit of increasing memberships at clubs and ultimately the county.

I am planning to meet as many of you as possible over the coming year at your club duplicate sessions and look forward to receiving your comments and suggestions. Meanwhile, please do not hesitate to offer your input as to what you, the membership would like us to do for you.

Please feel free to email me at andyjryder@hotmail.com

Good Luck and may all of your finesses work!

Andy Ryder
