12/16 – Humane Society in memory of Ruth Davis

Dear Members:

We are most grateful for all the support we have gotten this year from the Bridge Community. Our Club continues to grow because of the culture we have developed. New friendships have sprouted and the old ones have continued to become more precious with each passing year.

We have donated a total of \$137,345 to charity in the 6 years we have been in existence. We can't begin to imagine the lives we have touched because of our Club.

A very special thanks to Bob Griffin and Len Hall for directing games every week. Sam and Armin are amazing with the way they deal cards and get our playing area set up. Ann and her "crew" in the kitchen keep our food and drinks organized and well stocked. Pam continues with Education and Pat totals our points and writes for the Kibitzer.

Our Board also works long hours. Jim got the reservations system up and running smoothly and Diana continues that huge job. Patsy keeps our charity donations page updated and gets the presentations scheduled. As Secretary-Treasurer, Hurd handles our corporate affairs. George works with ACBL to be sure we take advantage of all their benefits. Ruth works with the Church, Board, ACBL and members to keep things organized.

We want to thank all our volunteers for making it possible for us to have such fun and friendly games but at the same time giving so much to our Community. We wish you all a healthy, happy 2017 and many great games at Streams!

Tucson Charity Bridge Club Board of Directors
