12/21 – Streams in the Desert Lutheran Church
nominated by TCBC Board

2021 was a year when we took in less in table fees as we did in previous years but our donations to charity have been greater than ever before. Our Board is very committed to fulfilling our mission to play bridge and benefit our community.

It feels good to be back at Streams playing and socializing with each other. It makes us miss those who died this year even more but we are grateful for everyone who is still willing and able to play!

We wish everyone a happy and HEALTHY 2022 and hope you can play lots of bridge!

Your TCBC Board of Directors
