

Pueblo Gardens PK-8

Pueblo Gardens PK-8
2210 E. 33rd Street

Dear Operation School Bell:

As someone who has devoted their career to education, I am always looking for ways to support students so that they can have the best possible outcomes for success. Operation School Bell has been a huge part of that at our school and I wanted to take a moment to thank you for your incredible kindness and support.

Operation School Bell has given new clothing, backpacks, shoes, and books to the children at Pueblo Gardens PK-8 who are in need. The new clothing and materials you have provided boost our students' self-esteem, attitude, and school participation.

I hope our school may continue partnering with Operation School Bell next year and that together, we can strive to give students the best educational experience possible!

Thanks again for all you do!

Sincerely,

Michael Konrad
