

It's the Bridge Battle of  
the Sexes!

Saturday 5<sup>th</sup> November  
11.15am – 4.30pm  
Cranham Social Hall

Upminster & Cranham Bridge Club is fed up with the 'men make the best bridge players' nonsense and are determined to test the theory.

We are staging an *East End Theme* "Teams of Four" event where each of the teams will be made up of all Ladies or all Gentlemen. Wear your cap/dress up if you want!

The winning team will prove a point, but perhaps even more importantly, we will also rank the teams to determine which gender earns the most points overall.

The bragging rights are immense, the stakes are high, pride is on the line so don't let your side down!

To make it fair (well on paper at least) we will have an equal number of female and male teams and match them as best we can. Enter as a pair, individual or team – we will arrange partners/teammates as needed. And the team names may not be politically correct! Prize for Winning Team.

Advance entry is essential – tables are limited. Please let the **Head Boy** or **Head Girl** know if you wish to play
