AUGUST, 2016

NEWS CLIPS:

Phyllis Carlson suffered a minor stroke and she is recuperating with her daughter. Her address is Phyllis Carlson, c/o Danielle Carlson, PO Box 1223, Mt. Vernon, KY, 40456. We are sure she would love hearing from you.

We were all saddened to hear of **David Hall's** passing on May 20. Many bridge players attended his Celebration of Life ceremony. Our thoughts and prayers are with Linda and her family.

Gail Hudon's mother passed away. She died at age 98 and led a long happy life.

The Villages 500 NLM Sectional will be held on July 29 to July 31 at the Savannah Recreation Center.

Carol Ketterer is Chairperson for the event. Click on the link on the Home Page for more information. Good luck and good bridge to all participants!

Always check the home page of our website for information regarding educational classes.

Our Fourth Annual Open Sectional was a great success. Pages in this **Club News** are dedicated to it.

Pat Sipe is home from rehab and is improving each day.

We always hear some discussions about the distribution factor in The Common Game hands. The editor received a letter from Jay Whipple (the ACBL Board member from Florida who started TCG) giving the comparisons between ACBL hands and TCG hands. First 24 Boards Hand Pattern Occurrence Probability from: 05/01/2016 – 05/31/2016.

Pattern	ACBL%	TCG	Diff
4-4-3-2	21.55	19.96	1.59

Other 7 Card	1.65	1.95	-0.30

The above chart shows that the Common Game hands are quite similar in distribution to the ACBL hands, with a slight uptick for the Common Game hands in distribution. There is little variation from theoretically expected results.

Charlie Showalter is our Unit 128 advisor. He is not a voting member as an advisor, but the Unit and Charlie are working on ways to change that.

.....

Jo DiCorpo has shared her **Caramel Corn** with players at the games. Everyone keeps asking her for the recipe, so we have decided to print it in the *Club News* so everyone can enjoy it!

Heat oven to 250 degrees. Pop corn on top of the stove (or however you normally pop corn) using about 2/3 cup of unpopped corn to make 20 cups of popped corn. After popping the corn, put it in large roaster pan. Sprinkle 1 cup nuts on top. (Jo uses any kind of nuts, but would suggest dry roasted peanuts.)

Make sauce by boiling together ½ lb butter (2 sticks), 2 cups brown sugar and ½ cup light corn syrup. **Boil 5 minutes**, stirring constantly. Remove from heat. Be ready to add:

Add 1 tsp each salt, vanilla, and baking soda in that order. **Stir to blend very well (the soda makes it foam).** Immediately pour over the corn and mix it in with a spatula. Bake for 40 minutes stirring every 10 minutes. Spread corn on wax paper to dry.

Jo says ENJOY! (We know we will enjoy!)

FOURTH ANNUAL SECTIONAL BRIDGE TOURNAMENT

SPONSORED BY
THE VILLAGES DUPLICATE BRIDGE CLUB
JUNE 3-5, 2016

The Fourth Annual Sectional Bridge Tournament was held at La Hacienda Center on June 3-5. The Club set another record for bridge tournaments in our area with 351.5 tables in play. Friday and Saturday games consisted of both a morning and afternoon session, and a Swiss Team game was held on Sunday, starting at 10 in the morning and ending around 4:30 in the afternoon, including a lunch. We had many out-of-town players. It was a very well-planned tournament. Congratulations to **Alex Booke**, the Tournament Chairperson, and to **Claudette Fraime**, the Hospitality Chairperson. Kudos also go to **Joanie Colbert**, the Partnership Chairperson, and to **Jane Dulieu**, her very capable helper.

Claudette Fraime, Hospitality Chair
Alex Booke, Tournament Chair

Joe Sacco, Jon Williams, Gladys Mikel, Jeff Kolenuk
Winners of the Swiss Team event

A note from Claudette Fraime:

Claudette and Clell Whelchel
Winners of a 399er pairs games.

It was a pleasure working with Alex Booke. The Hospitality Committee thanks all who brought refreshments for the Sectional Tournament. The variety was great and the quality outstanding. Everyone appreciated the hors d'oeuvres, spreads, chicken salad, meatballs, sloppy joes, breakfast casseroles, and homemade baked good etc. Our job was easier this year because of all the pre-cut fruits and vegetable. Also, the disposable containers greatly reduced the clean-up time. On Friday, my co-hostess was Bonnie Barna and the helpers were Dee Parson and Jane Dulieu; on Saturday the hostess was Sally Jepsen and her helpers were Janet Dunn, Linda Eicher, and Sandy Ainsworth; on Sunday the hostess was Dee Parson and random helpers as needed. Left-over food was given to the Soup Kitchen.

The players send a big thank-you to the Hospitality Committee!

Paul Hassett and Marvin Wells came in first in a pairs game. Paul scored 10th overall in tournament.

The editor wants to thank Jane Hudson and Leon Zaczek for submitting pictures. Leon did an outstanding job of submitting meaningful pictures, and taking the time to reduce the megabytes for easier usability. The aerial view of the players at the rec center, with the Fourth Annual Sectional highlighted, was produced by Leon and his son. Many thanks!

The Cleveland Regional, also known as The All American Regional, was held May 24-30. Players winning points from The Villages Duplicate Bridge Club are: Carma Sands: 2.01; Linda Evans: 8.85 (6.66 Gold and 2.1 Red) ; Bruce Thiher: 13.05 (11.26 Gold and 1.79 Red); Leon Zaczek : 13.05 (11.96 Gold and 1.79 Red).

.....
On June 6, 2016, District 9 Tampa Regional joined forces with 5 clubs from along the eastern coast. Using the popular BridgeBase Online platform, 56 participants at the regional and on-line from their clubs were able to earn Regionally rated points in the first collaborative Regional/Club event. Clubs participating included Honors BC (NYC), Sagamore (Long Island), Asheville Bridge Room (NC), Villages Bridge Club (FL), St. Pete BC (FL). Interestingly one partnership had a player in Tampa playing with her partner in NYC. Spearheaded by Janet Matthews, we had some of our players participating in it.

Law 20 deals with the right of all players to have a review of the bidding sequence. During the auction generally a player may ask for a review when it is their turn to bid. After the final pass, either declarer or a defender can ask for a review of the auction when it is their first turn to play.

Law 20 also requires that opponent's be made aware of special agreements the pair has concerning the meaning of bids. The player warns their opponents that a bid has a special meaning by "announcing" or "alerting" bids made by their partner. When it is their turn to bid an opponent can ask for the meaning of an opponent's bid. The response must be made by the partner of the one who made the bid. Opponent's are entitled to a full explanation of the meaning of the bid. Simply replying that the the pair is playing "Michaels" or any other convention is not sufficient. A full description of their agreement must be given. After the final pass and throughout the play either defender can ask for an explanation of a bid when it is their turn to play. When it is declarer's or Dummy's turn to play they can ask either defender the meaning of their partner's call or defensive carding.

Law 20 emphasizes the need for a pair to warn their opponents of their special agreements and their requirement to give a full and comprehensive explanation of their bidding and defensive agreements. It does not require a formal process be applied however. Thus in the unlikely event an opponent's wish to waive their right of notice ("Please do not alert any of your bids." Etc) it appears that the pair is no longer required to make their agreements known. Having waiver their right of notice however, the opponent's are also waiving any claim of being harmed for not being warned of an opponent's special agreements.

What if a player knowingly makes a bid or a play that does not correctly conform to their partnership agreement? A common example of this is a "psychic" bid. Rules concerning psychic bids are covered by Law 40. This law states that "... a player may make any call or any play (including an intentionally misleading one that departs from commonly accepted or previously announced convention practice) without prior announcement, provided it is not based on a partnership understanding." A common example of an intentional departure from an agreement concerns a player's discards. Many times a player will intentionally falsely discard in an attempt to deceive an opponent. It is an accepted practice. There are also occasions where a player will bid a suit without any values because they want to discourage the opponent's from leading the suit in the play, a common psychic bid.

Does this mean that one can make a psychic bid at any time? No. There are certain limitations:

- 1 Frequent or excessive psychic bids leads to an implied understanding between the pair that a bid may be psychic. At this point the pair has an unfair advantage since they are aware of the use of psychic bids on a frequent basis and the opponent's are not.
- 2 A psychic bid that is frivolous, without any bridge basis and made in an attempt to cause "malicious mischief" or out of a lack of interest are not allowed.
- 3 Also an "unsportsmanlike" psychic bid used to give the opponent's an "abnormally good score" or used only against certain pairs such as an inexperienced pair.
