Welcome to West Midlands Bridge Club and the 2011 Corn Cairdis segment. This event is a friendly match between England and Ireland. Three teams from each country representing CBIA and EBU Officials, Dublin City and Warwickshire Counties, and Donegal and West Midlands Bridge Clubs. Each team will be playing two 20 board matches against its opposing team and one 20 board match against the other two teams. The ethos of this event is one of friendship and fun which will mean that there will be moments of brilliance and moments of madness but a great time will had by all :)!
