

Who wants to up their game?

If you have been playing for about five years or more and would like some tips from a more experienced player then why not try the new scheme:

Play with an expert

Welwyn Garden City Bridge Club has a number of advanced players willing to share their knowledge and expertise. This is how it works:

- You play together for at least two sessions.
- You can play with more than one expert.
- The expert plays for free.

Please note; yours and the expert's results **WILL** count for NGS purposes.

If you are looking for a regular partner then please use the relevant partnership desk.

For more details or to be paired with an expert contact the co-ordinator: Sheila Gabriel email: she70@btinternet.com or phone: 01992 639411

Or visit our website at www.wgcbridge.org.uk
