For the Eva Wilde Trophy

WCBA

All rules and regulations for this competition are the sole responsibility of the Committee of Westmorland County Contract Bridge Association, in accordance with the rules and regulations set down by the EBU. The WCBA Committee reserves the right to change the Rules at the start of each season prior to inviting entries for that season's competition.

The decision of the WCBA Committee concerning the interpretation of the Rules, and the resolution of any disputes, non-played matches and extensions shall be final.

The WCBA Committee will appoint a Competition Secretary to manage the event.

Eligibility

The competition is open to all members of good standing of the Westmorland Contract Bridge Association.

Teams

A team must consist of between 4 and 6 players.

After an initial entry, additional players may be added provided that the new players have not been members of another team and the number of players in the team does not exceed 6. This rule applies up to, and including, the date of the County final. The Competition Secretary should be informed of any such additions. Players added after the initial entry should have been members of the Association for at least 3 months. The entry form will contain contact details for each Captain. If these change the Competition Secretary should be informed as soon as reasonably possible.

Any 4 of the 6 players may be selected for each match. Substitutions during a match are not permitted.

Draw

Entries must be received before the draw is made at the Annual General Meeting. The event will be played as a knock-out competition at all stages. The finalists from the previous year will be drawn into opposite halves of the draw, and there will be no other form of seeding.

In the event that the team captains are unable to arrange their match they should inform the Competition Secretary at least 4 weeks before the round is due to be completed (or as soon as reasonable practical). The Competition Secretary will record all available details about why it hasn't been possible to arrange the match, and refer to the County Committee for a ruling.

Save in exceptional circumstances, **no extension to the play by date** for the round will be given.

Withdrawals

If a team has to withdraw from the competition, their opponents will go through to the next round.
