Print VP Scale

Store as Club Defaults Restore Club Defaults Masterpoints Import Deal Set Prizes Cancel OK

Select: Players and enter names (This is the most time consuming part.)

Change Max Players per Team to 8

Select: Seating Lineup

Enter Players positions for Away team

Select: Copy Above Team Lineup to End Session

Select : Bridgemate Scoring

Select: Set BCS Options

Do not show previous results

The screenshot shows the 'Bridgemate II' configuration window. It is divided into several sections:

- Results:** Includes checkboxes for 'Show previous results', 'Show own result', and 'Repeat results (BMPPro only)'. A dropdown menu is set to 'Frequency list, 6 lines, 2 score columns'. 'Maximum results to show' is set to 'Unlimited'. Other options include 'Show percentage of own result' and 'Group sections for results'.
- Behaviour:** 'Show score points from perspective of' is set to 'North - South'. 'Enter results as' is set to 'Up/Down Tricks'. Other options include 'Show Pair Numbers at Round Info', 'Intermediate transmission of contract', and 'Board order verification'.
- Interval settings:** 'Autopower-off period' is 20 seconds, and 'Verification message' is 1 second.
- Contract:** 'Show contracts using' is set to 'Symbols'.
- Optional Entry:** 'Lead card' and 'Member Numbers' are checked. 'Validate lead card against hand record' is unchecked. Other options include 'Blank entry not allowed', 'Entrv at Home Table (Teams only)', and 'Allow for changes in line-up (Teams only)'. 'Validate number using rules of' is set to 'No validation'.
- Shutdown:** 'Automatically close BCS at end of session (Not allowed in Swiss Events)' is unchecked.

At the bottom, there are six buttons: 'Restore Options to Club Defaults', 'Store Options as Club Defaults', 'Restore EBU Teams Defaults', 'Reset Bridgemates when BCS running', 'Cancel', and 'OK'.

OK

Select: Create Database

Select: Launch BCS

Set Bridgemates to Section A table 1, Section A table 2, Section B table 1 and Section B table 2

Play your match and record results on Bridgemates (I suggest pen and paper as well)

You may have to Select: Read All Results after play

Select: Reports

Select: Display On Screen

This should show results
