

COUNTY INTER-CLUB LEAGUE

Cutnall Green Memorial Hall

FRIDAY 23rd September
FRIDAY 2nd December
FRIDAY 27th January
FRIDAY 7th April

Starting time 19:15 each evening

Following a second successful year when 11 teams participated in this tournament, we are inviting teams to enter into this year's event. The dates given have been booked but the number may change depending on the number of teams entering.

As previously, each club can enter as many teams as they wish but, very importantly, the same players do not need to play in every session. The only constraint will be that no player may represent more than one club, and only one team from that club. The number of players in each team will be restricted to a maximum of 8. While larger numbers may be accepted under some circumstances, allowing larger teams in general will tend to reduce the number of entries. It is also important that entered teams play each evening.

There are a number of reasons why players will enjoy this event: -

- It provides an opportunity to play against teams from other clubs, thereby offering more variety than simply playing in one or two clubs
- It is easy to plan in advance whether you are available for a particular date. If you are not, another player from your club can play. Indeed, a team may choose to field completely different pairings at every heat.
- Short matches can be particularly exciting and results are immediately available after the match. Hand records will be provided for post-match discussions.

Table money, payable on the evening, will be £3.50 per player which will include tea/coffee. Please contact Eddy Blackburn (blackedd@hotmail.co.uk or 01527 402665) to either discuss the event or register your entry **before** 1st September please. Pre-registration is essential for the planning of the event.
