Notes

- (1) This group is on an informal turn up and pay basis. We play the cards and learn from them. It is also possible to bring questions along.
- (2) This is an opportunity for less experienced players to come along and play in a relaxed environment, open to those who have recently or not so recently completed a beginners course, no player with an NGS rating of 9 or greater should attend.
- (3) Topics to be looked at are Stayman, Play in NT contracts, Play in a suit, An introduction to Strong opening bids, and doubling for take out and doubling for penalties.
- (4) Assisted play is an excellent way for beginners and improvers to practice skills learnt in bridge classes. You can attend without a partner.
