

Club Championships next 8 weeks – bonus points

We are open!!! The hall was filled with lots of laughter, greeting old friends, and live play!!

The opening went very well thanks to our volunteers – there were several comments on how smoothly it went . Special thanks to Rhoda Tafler and Lorraine Larson for our registration program. Isabel Chernoff for helping to organize our equipment and materials, And of course your club directors John , Ben , Ed , Bob and Jane made sure all were in a safe environment and smoothly run game.

No Registration next week!!! We are limited to 15 tables but we were not above 11 this past week.

We hope to offer 2 sections on all days (0-299 and open) starting at 10:15 am Monday, Wednesday and Thursday. But if there are less than 3 tables in the 299er section, we will have to combine into one section. We cannot run a separate section with less than 3 tables.

Please come with proof of vaccination. We can check our list if you forget; however, it would be very helpful if you have your vaccination card/certificate ready at the door on arrival.

Hope to see you soon!!

Please remember to bring your bidding boxes, name tags, and masks. It was okay wearing a mask and players are allowed to take off the mask when consuming food and drinks (which most brought with them) but we are looking forward to not having to wear them.

We also would like to ask you to continue to **remain seated** until the round is called as we are not allowed to have players wandering around and visiting. We must be in our chairs as much as possible.

In memory

Carol and Robert lived above the Nicomeckl River Estuary in South Surrey, B.C. While Robert painted, Carol devoted herself to nurturing their three children: David, James and Sara, while also cultivating her own passions of reading, music, flower arranging, travelling, gardening, caring for her parents and fostering friendships with her lifelong tennis and golf buddies. Carol was a believer in personal responsibility, integrity, in bucking up, in planning, and in dreaming. She was always thinking of others. She didn't take short cuts. Hers was a style of low-key, steadfast constancy; of intimate understanding and witnessing, and tough but magic realism. Carol was an artist maker, and made four. With her grace, practicality, elegance and wisdom, she left us all enriched with the immeasurable gifts of her intelligence and devotion. Carol is predeceased by her husband, Robert, of 50 years, and survived by her three children, Dave (Tamara), James and Sara (Peter) and three grandchildren, Beckett, Zoë and Poppy, their dogs Stanley and Penelope and cats Broccoli and Brussel Sprout, as well as her three siblings, their families and all her extraordinary friends.
