

Looking for a partner?

There are times when your regular partner cannot play or you would like to try a new partner and do not know who to ask.

- Team Game Wednesday, Oct 5:** email Ed L'Heureux at <mailto:edlheureux@yahoo.com>
- Thursday Filming and High Tea Oct 6:** email Isabel Chernoff at <mailto:isabelchernoff@telus.net>
- Partnership Program** A pilot program for partnerships is working very well and you may wish to join. We will organize player requests into groups of 8-12 players. First you email Bob Dillon at <mailto:bdquad@telus.net> Bob will compile a list and the directors will make groups of 10-12. We will send your email information to the members of your group. When you need a partner, email a member(s) of your group and ask them to play.

Wednesday, October 5: Swiss Team club championship game. (Advance registration required with edlheureux@yahoo.com.)

Thursday, October 6: Wear your best "high society" elegant bridge wear for our Homecoming club championship pairs game. Or come as you are:) This event will be filmed by Michael Newman for his community events segment on Global TV news.
