Welcome to Duplicate Lite

Greetings fellow bridge enthusiasts!

I hope this newsletter finds you in high spirits and with an opening hand. As we all know, bridge is a game that requires strategy, skill, and a bit of luck. But let's not forget the most important part - it's a game that brings us together for a good time and some friendly competition.

Now, let's get to the nitty-gritty of what's been happening at Duplicate Lite.

Lessons - Competitive Bidding

Wednesdays, March 15th through April 12th, 1:45 - 3:45 P.M.

5 Lessons for $40 or $10 each

- Overcalls,
- Takeout doubles,
- Negative doubles,
- Competing when an opponent opens 1NT,
- Competing when you have two 5-card suits

If you're ready to improve your bridge game, this is the perfect opportunity to do so. Your brain and your future bridge partners will thank you.

Spring Lesson Program - Please help

We need your help to promote this program. We're hoping to have a large group of new players starting in April, so please help us spread the word by posting fliers and telling your friends and family. The flier is a half page in the Surrey Recreation Guide, and copies are available at the club.

Barbara Seagram Event June 7, 2023 Elgin Hall

We would like to offer this program to our Duplicate Lite community first. Please sign up soon to save a spot. Two sessions will include lunch and the flier is below.

Ensure that your car is secure and your belongings out of sight

On a more serious note, we have received reports of a theft in our parking lot. We are saddened by this incident and want to remind everyone to take precautions to ensure the safety of their belongings. Remember to lock your car before entering the game and keep your valuables out of sight. Leave valuables at home, or if you must leave something in your car, we suggest storing it in your trunk or glove compartment. It's better to be safe than sorry.

That's all for now, folks. Keep on bidding, and we'll see you at the tables.

Cheers, Jane and ChatGPT (not a pro bridge player, but a pro at answering questions!)
