DECEMBER 2018

from the president ...

## Unit 191 Annual Meeting and Holiday Gala

*It's time to celebrate!* Join us for a day of fellowship, good food and bridge at the Unit 191 Annual Meeting and Holiday Gala – Sunday, December 9th, at the Sheraton Imperial Hotel, 4700 Emperor Blvd., Research Triangle Park.

## Unit 191 Championship Week

Winners – the players in both the OPEN and 499er strata with the highest average of their two top games – will receive \$100 in gift certificates. Play in the Holiday Gala game to **receive a bonus percentage** for your highest average. Details of the competition are [here](#). The daily Leader Board is [here](#). [To see previous results append the date to the file name (e.g. "\_11-27" to see the results on Nov. 27<sup>th</sup>).] Many thanks to board member John Schachte for organizing this year's competition. ## Unit 191 Survey of Members

*Thank you for your input!* We have had an overwhelming response to the unit questionnaire on how the Unit Board can enhance your enjoyment of bridge. Based on the results the board is supporting a lecture series next year. More details to come at the Annual Meeting and Holiday Gala. The survey also suggests other things to be done, which will be considered next year. The survey results will be available later this month on the unit's website. Many

thanks to board member **Mariée Walton** for conducting the survey and compiling the results.

## Double Dummy Hand

As many of you know, I love puzzles and brain twisters. The classic puzzle in bridge is a Double Dummy problem – a bridge hand where you are to make a given contract seeing all four hands. I'll end the year with a double dummy hand I stumbled upon many years ago. It is from Frank Stewart's *Bridge* column, but was also in his colleague Alfred Sheinwold's files.

The contract is 6♠. Decide how you would win 12 tricks after West leads the king of hearts.

The answer will be in January's Bright Leaf Alert newsletter.

Play every card well,

**Ed Fuller**, Unit 191 President

The race is “heating” up for the winner of the unit championship. As of November 29, there have been 3 pairs who have played with 70% games!!! Those scores may be difficult to surpass, but don’t give up, there is plenty of time remaining to give it a try. Plus, you get an extra bonus added to your score if you are playing at the gala game. **John Schachte** has organized the event this year and secured prizes of \$100 in gift certificates for the overall winner in the open and 0-499 events. The leader-board is posted each day on the website and at the individual clubs. The highest average of your two best scores are used for the rankings.

In Unit 191, we are fortunate to have many opportunities to play bridge and especially to have many games with holiday parties to celebrate. In addition to the annual gala, **Triangle** is having a holiday party on Tuesday, December 4; **Tarheel Bridge Club** has its holiday event on Friday, December 7; and **The Bridge Academy** is hosting a holiday fest on Monday, December 17. It's always enjoyable to share the holiday spirit with our fellow bridge players, so plan to attend all the holiday affairs and join in the fun.

There are many people who make all these activities happen, and a huge thank you to:

**Club owners**

**All directors**

**Those who prepare food to make each game/event special**

**Those who faithfully clean up after each game**

**Teachers**

Please take a second and make an effort to thank any or all of the above. We too often take for granted all these things just happen. We more than appreciate all of you!!!

I wish to thank all contributors who faithfully submit articles for the Alert—especially **Randy and Kay Joyce**, who provide our unit with excellent articles, not only for improving our skills, but for good reading. Enjoy the season!!

Barbara Martin, Alert Editor
