

**BRUSH UP YOUR BIDDING

COMMENCING OCTOBER 2019**

Do you feel you have gaps in your bidding knowledge? Would you like to refresh what you know but don't want to do a whole year intermediate course? Would you like to review the beginner course?

Upminster & Cranham Bridge Club
are running a 10 week revision course covering:

- Basic System
- Supporting Partner
- Pre-empts
- Basic Responses and Rebids
- Weak Twos and Responses
- Reverse Bids
- Balanced Hands
- Overcalling
- Stronger Bids
- Doubles
- Tactics & Scoring
- Law of Total Tricks

Each person will end the course with notes and their own convention card if required. If time permits other topics such as The Losing Trick Count or Signals and Discards will be discussed.

The course is not designed for beginners but rather those who feel the need for revision, just want to improve their game, reinforce their system or those returning to the game.

The cost is £90 including student notes, the course will be complete in time for those wishing to join next year's 2nd year course.

Subject to sufficient demand the course will begin in October and take place on either Fridays (late morning/early afternoon) or Saturday mornings at a suitable local venue to be determined.
