

I joined ACBL in March 2006 Just before the new MP requirements set-in.

Fortunately, I teamed-up with a very skilled player by the name of Terry Bucher and he brought my game up to a new level. Terry and I teamed up with Bob Crouch and Chuck Palmer to play team events where we won our "Colors". Chuck and Bob are masters of the TPC style of play and are very successful.

I moved to Huntsville a little over a year ago and was again fortunate to team up with a terrific player, Gary Goodwin (pictured). Gary and I play in the Huntsville DBC and right now are playing virtual bridge (BBO). Every point that I have ever acquired was while playing with Terry or Gary.

Since I live in a retirement community, I am on virtual "lockdown". Virtual Bridge is a lifesaver. For a few hours each day I have something to do and a reason to think.
